The financial report covers Burrun Dalai Aboriginal Corporation Inc as an individual entity. Burrun Dalai Aboriginal Corporation Inc is a not-for-profit Association, incorporated in New South Wales under the *Association's Incorporation Act (NSW 2009)* and *Association's Incorporation Regulation (NSW) 2010* ('the Act').

1 Change in Accounting Policy

Leases - Adoption of AASB 16

The Association has adopted AASB 16 *Leases* using the modified retrospective (cumulative catch-up) method from 1 July 2019 and therefore the comparative information for the year ended 30 June 2019 has not been restated and has been prepared in accordance with AASB 117 *Leases* and associated Accounting Interpretations.

Impact of adoption of AASB 16

The impact of adopting AASB 16 is described below:

Association as a lessee

Under AASB 117, the Association assessed whether leases were operating or finance leases based on its assessment of whether the significant risks and rewards of ownership had been transferred to the Association or remained with the lessor. Under AASB 16, there is no differentiation between finance and operating leases for the lessee and therefore all leases which meet the definition of a lease are recognised on the statement of financial position (except for short-term leases and leases of low value assets).

The Association has elected to use the exception to lease accounting for short-term leases and leases of low value assets, and the lease expense relating to these leases are recognised in the statement of profit or loss on a straight line basis.

Practical expedients used on transition

AASB 16 includes a number of practical expedients which can be used on transition, the Association has used the following expedients:

- contracts which had previously been assessed as not containing leases under AASB 117 were not re-assessed on transition to AASB 16;
- right-of-use assets at 1 July 2019 have been measured at an amount equal to the lease liability adjusted by the amount of any prepaid or accrued lease payments;
- excluded leases with an expiry date prior to 30 June 2020 from the statement of financial position and lease expenses for these leases have been recorded on a straight-line basis over the remaining term;
- used hindsight when determining the lease term if the contract contains options to extend or terminate the lease;

Report on the Audit of the Financial Report

Opinion

We have audited the financial report of Burrun Dalai Aboriginal Corporation Inc (the Company), which comprises the statement of financial position as at 30 June 2020, the statement of profit or loss, the statement of changes in equity and the statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies, and the directors' declaration.

In our opinion, the accompanying financial report of the Association is in accordance with the *Corporations Act 2001*, including:

- (i) giving a true and fair view of the Association's financial position as at 30 June 2020 and of its financial performance for the year ended; and
- (ii) complying with Australian Accounting Standards and the *Corporations Regulations 2001*.

Basis for Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section of our report. We are independent of the Association in accordance with the auditor independence requirements of the *Corporations Act 2001* and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We confirm that the independence declaration required by the *Corporations Act 2001*, which has been given to the directors of the Company, would be in the same terms if given to the directors as at the time of this auditor's report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Directors for the Financial Report

The directors of the Company are responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Corporations Act 2001* and for such internal control as the directors determine is necessary to enable the preparation of the financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the directors are responsible for assessing the Association's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the Association or to cease operations, or have no realistic alternative but to do so.

Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial report.
